Family & Friends Code: Celebrate95

This code may be distributed to your state delegations for them to purchase tickets directly from MAO. As in years past, all state tickets will be seated together based on the "State You Support" which is found on the Family & Friends order form. Priority seating will be given to Season Ticket holders.

MISS AMERICA SHOE PARADE TICKETS: We still have prime seating area parade tickets that were offered to our state organization volunteers, along with their friends and family members, available for sale. Since we heard from several states that they were unable to determine the exact number to set aside until their new titleholders were crowned, we have extended the parade seating ticket sale until after the final titleholder is crowned in July. The extended date to order is Monday, July 13, 2015. Additionally, while we cannot actually assign individual seats, we are placing all state organization parade ticket orders in the same section. Click on this link to order <https://secure.jotform.us/missamerica/paradetix>.

SIGNS & BANNERS: Signs are strongly encouraged for the camera during the preliminaries and the live broadcast. Since the camera does not pick up light colors, it's recommended that white, yellow, etc. are not used. Please note that signs cannot be sponsored with names and/or company logos.
